APPLICATION FOR CITY PROVIDED UTILITY SERVICE TERMS & CONDITIONS

I hereby make application to the City of Brandon for the supplying of water and/or sewer service and/or solid waste service and in consideration of making the required deposit and of being furnished the service agree as follows:

1. I agree to pay all water, sewer, and/or solid waste bills immediately upon receipt. I understand and agree that if I fail to pay the monthly water, sewer, and/or solid waste bills within twenty-five (25) days after they become due, the City may terminate this agreement and disconnect the service. I understand that if this happens I may be charged a fee by the City to reconnect the service. In the event my account is turned over to an attorney for collection, I agree to pay all collection costs including reasonable attorney fees.
2. I understand and agree that in the event the water, sewer and/or solid waste bill is not paid, the City may use my deposit to pay the bill. I further understand and agree that in the event it is necessary to use my deposit to pay the bill, I will be required to pay an additional amount as a deposit. I understand and agree that the deposit is held as a guarantee of the bill and service charges, but on the expiration or cancellation of my contract with the City, the deposit, less any outstanding bills, shall be returned to me.
3. I understand and agree that the meter installed is the property of the City and I will protect it at all times and will guarantee its return to the City in good condition. I further agree that the meter is to be removed only by employees of the City or other authorized persons and further agree that in the event the meter fails to register the quantity of water used, either by reason of defect or any other cause, the City will have the privilege of rendering an estimated bill to me for the period during which the defective meter was used. I agree that the estimated bill may be calculated either by using the records of a newly installed meter as a basis or by reviewing a corresponding period of the previous year for an average or by any other proper method of estimation.
4. I understand and agree that I may use the City Sewer System for the disposal of sewage only. I understand that no storm sewer or downspouts may be connected with the City sewer system in any way. The City is given the right and privilege of inspecting my property for the purpose of determining that the sewer system and all connections are in proper working order.
5. I understand and agree that only my residence or the establishment indicated on the reverse side of this application is to be served under this contract, and that no additional residence or establishment will be permitted to obtain water or sewer service through my lines without the expressed consent and approval of the City.
6. I agree that employees of the City, or their authorized representatives, may come to my property for the purpose of servicing, maintaining, or disconnecting my water and/or sewer system. In this regard, I agree to grant any easements or right of ways to the City necessary to accomplish these purposes for no additional consideration.
7. The applicant agrees to follow the guidelines set forth by the Mississippi State Department of Health regarding onsite wastewater disposal.
