PUBLIC HEARING AND BOARD ACTION WITH REGARD TO THE CONDITIONAL USE PERMIT APPLICATION REGARDING THE PLACEMENT OF A MOBILE HOME AT 6418 BROCK CIRCLE

The Public Hearing was opened with respect to the conditional use permit application regarding the placement of a mobile home at 6418 Brock Circle. The Director of Community Development advised that all prerequisites to the Public Hearing have been met and that the Planning Commission voted to recommend approval of the request. The Director of Community Development presented a Staff Report which included the history of the process with associated exhibits including the application. The Director concluded that based on all attendant facts and circumstances and in review of the provisions on the City’s Zoning Ordinance concerning conditional uses, that the Planning Commission did not properly take into consideration the definition of “conditional use” as provided in Section 10.2 of the City’s Zoning Ordinance or the conditions required under Section 9.7.2 and in this respect, she advised that based on reasonable zoning and planning considerations and for the reasons as generally set forth in the Staff Report, there are no conditions or restrictions that could be imposed by the City which would encourage, facilitate or otherwise promote the public health, safety, morale, and/or general welfare of the City and which would not adversely affect adjoining properties of thereof and accordingly it was her recommendation that the application did not meet the requisite criteria of the City’s Zoning
Ordinance with respect to the granting of a conditional use permit for the use specified at the location specified and the application should be denied. The Staff Report with attachments is appended hereto and incorporated herein by reference. Thereafter those in favor of or in opposition to the application were asked to come forward and speak, whereupon Ms. Ida Adams spoke in favor of the request. Ms. Adams comments were generally consistent with her letter to the Mayor and Board of Aldermen dated April 7, 2017 which is appended to the Staff Report. No one additionally spoke in opposition to the request. The Public Hearing was then closed. Based on the applicable provisions of the City’s Zoning Ordinance and the information provided at the Public Hearing and included in the record thereof, including the Staff Report of the Community Development Department which is incorporated herein, Alderman Morris made the motion to deny the application for a conditional use permit at the location specified for the purpose specified, seconded by Alderman Coker, whereupon Aldermen Vinson, Coker, Morris and Dobbs voted “AYE” and Aldermen Corley, Williams and Christopher voted “NAY”, and the motion carried.

7.

PUBLIC HEARING AND BOARD ACTION WITH REGARD TO THE CONSIDERATION OF A CONDITIONAL USE PERMIT APPLICATION CONCERNING THE LOCATION OF LIBERTY BAIL BONDS & LEGAL SERVICES, LLC AT 902 W. GOVERNMENT STREET

The Public Hearing was opened with respect to the conditional use permit application concerning the location of Liberty Bail Bonds & Legal Services, LLC at 902 W. Government Street. The Director of Community Development advised that all prerequisites to the Public Hearing have been met and that the Planning Commission voted to recommend approval of the request. The Director of Community Development presented a Staff Report which included the history of the process with associated exhibits including the application. The Director concluded that based on all attendant facts and circumstances the location of a bail bonding business as proposed by the applicant does not meet the definition of “conditional use” as provided in Section 10.2 of the City’s Zoning Ordinance. In this respect, she advised that with respect to the use proposed at the location proposed, based on reasonable zoning and planning considerations and for the reasons as generally set forth in the Staff Report, there are no conditions or restrictions that could be imposed by the City which would encourage, facilitate or otherwise promote the public health, safety, morale, and/or general welfare of the City and which would not adversely affect adjoining properties. She further advised that in considering the standard set forth in Section 10.2, consideration should also be given to Section 9.7.2 of the Zoning Ordinance which provides that the Mayor and Board of Aldermen shall not grant a conditional use unless satisfactory provision and arrangement has been made concerning the elements referenced in said section. Of the elements which must be met is subjection (g) which requires a specific finding of general compatibility with adjacent properties and other property in the district and in her opinion the granting of a conditional use permit for the proposed use at the location proposed would not be generally compatible with adjacent properties and other property in the district, and did not meet the requisite criteria of the City’s Zoning Ordinance with respect to the granting of a conditional use permit and accordingly it was her recommendation that the application be denied. The Staff Report with attachments is appended hereto and incorporated herein by reference. Thereafter those in favor of or in opposition to the request were asked to come forward and speak, whereupon Mr. James Peden, the attorney for the applicant, spoke in favor of the request. It was noted during the public hearing that Mr. Peden’s letter of April 11, 2017 together with the Statement in Support of Application for Conditional Use were included as
attachments to the Staff Report and accordingly are part of the record of the public hearing on
the application. Mr. Peden’s comments generally followed his written submissions. No one
additionally spoke in opposition to the request. The Public Hearing was then closed. Based on
the applicable provisions of the City’s Zoning Ordinance and the information provided at the
Public Hearing and included in the record thereof, including the Staff Report of the Community
Development Department which is incorporated herein, Alderman Corley made the motion to
deny the application for a conditional use permit at the location specified for the purpose
specified, seconded by Alderman Vinson, and upon unanimous vote the motion carried.
