

# City of Brandon Senior Center

---

## Activities have been suspended.

---

With many changes in safety guidelines and recommendations, the City of Brandon Senior Center will temporarily postpone in-person activities. The safety of our seniors is our first priority. Along with that concern, we also do not want to cause confusion or inconveniences with making weekly changes in our schedule, in order to comply with newly issued mandates.

We *WILL* continue our virtual activity schedule! So please, join us there until we can meet in-person again.

Sincerely,

*Angelia Pryor*, Coordinator
