

Water Line Improvement Project **College Street**

May, 19, 2022 - Updates

Week of **May 23rd** work begins.

No lane closures or daytime traffic disruptions until after **May 28th**.

Begins with equipment movement and materials placement.

Work begins on College St. between Jasper St. and Hwy 80.

⇒ Waterline installation along west side of College St.

Temporary lane closure work for this phase will be at night.

⇒ If daytime closures become necessary, they will be temporary and in the southbound lane.

Suggested Alternate Route: (signs will be posted)

Overby St. south from US HWY 80 down to Jasper St. or Sunset Dr. back to College
